Step 1: Welcome to your Trimma Workspace

Your Trimma Workspace is the control centre for your salon on Sri Lanka's premium grooming marketplace. Sign in at trimma.io/login with Google using the Gmail your Trimma agent registered. After sign-in you are taken to /dashboard — your salon command centre.

Screen: Google sign-in → Salon Dashboard

Step 2: How you were onboarded

A Trimma field agent visited your salon, verified your business details, and sent an invitation to your Gmail. You activated your account, completed your salon profile, and (when approved) your listing went live on trimma.io. Your agent earns a referral commission when customers book at your salon.

Pro tip: Keep your agent's contact details — they can help with profile updates and marketplace visibility.

Step 3: Your role as a salon owner

You manage your public marketplace listing, services, staff schedules, online bookings, customer relationships, reviews, promotions, and subscription plan. Trimma handles customer discovery, online deposit collection, booking notifications, and platform verification. You deliver the service and collect the balance at the chair.

Step 4: Workspace layout & navigation

Desktop: dark left sidebar with all salon tools. Footer: Settings shortcut and Logout. Header: notification bell (new bookings), search bar, salon avatar (opens Profile). Mobile: hamburger menu opens the full sidebar drawer. Salon Help is always available from the sidebar footer.

Screen: Sidebar + header

The screenshot displays the Trimma Workspace dashboard. The left sidebar is yellow and contains the following navigation items: Customer Dashboard, Workspace (with a sub-item Dashboard), Bookings, Calendar, Customers, Staff, Services, Packages, CRM, Marketing, Social Media (marked SOON), Reviews, Settings, and Salon Help. The main content area is white and features a 'Salon Performance' header with a 'Refresh' button. Below the header is a green notification box stating 'Your salon is ready for bookings' and 'Staff are mapped to services and at least one service is live. Customers can book on your salon page.' The performance section includes four yellow cards: Total Bookings (6), Active Services (9), Active Staff (3), and Total Revenue (LKR 34,900). The bottom section is titled 'Booking Income Breakdown (Last 7 Days)' and includes a table with columns: BOOKING, SERVICE, STAFF, RET. FEE, BALANCE, SALON, SALON INC., and NET. The table lists various services like Classic Haircut, Gents Haircut & Wash, Beard Trimming & Shape, Grey Hair Coverage, and Men's Hair Perming, along with their respective fees and balances. A 'TO REVENUE 28,290' button is visible next to the table title.

Step 5: Getting started — three steps to go live

Step 1: Complete Salon Profile — logo, cover, hero image, address, hours, amenities, bank details.

Step 2: Add Services and Staff with accurate prices, durations, and schedules.

Step 3: Submit for verification — once approved, customers can book online and you manage appointments from Bookings and Calendar.

Profile → Services → Staff → Verify

Step 6: Salon Profile — your public storefront

Open Salon Profile (/dashboard/profile). Business Operations tab: upload logo (500×500), cover (1200×400), hero (1920×680), gallery images (plan limits), salon name, phone, bio, address with map pin, weekly hours, amenities, quick-add services/staff. Save Operations after every change. Marketplace live preview shows how customers see your listing.

Step 20: Reviews — build your reputation

Open Reviews (/dashboard/reviews). Only verified reviews from completed real bookings appear publicly. Average rating and star distribution chart. Reply to reviews (up to 500 characters) — replies show on your marketplace listing. Until first review, listing shows New · No reviews yet.

Screen: Reviews list + reply

Pro tip: Reply professionally within 48 hours — it influences new customers in your area.

Step 21: Reports & Analytics

Open Reports & Analytics (/dashboard/analytics). KPIs: Revenue, Bookings, Average Order Value, Staff Utilization %. Last 30 Days with week navigation. Daily revenue bar chart. Top 5 stylists by bookings, utilization %, and revenue. Based on confirmed, in-progress, and completed bookings.

Screen: Analytics dashboard

Step 22: Finance & Commissions

Open Finance & Commissions (/dashboard/finance). KPI cards: Gross Bookings, Platform Fee, Salon Reservation Share, Agent Commission. Filters: All · Settled · Pending · Cancelled. Per-booking income breakdown. Export Ledger for accounting. Tracks salon_upfront_amount, platform_commission_amount, agent_commission_amount.

Screen: Finance ledger

Step 23: Reservation commission model

When a customer books online, Trimma collects a 20% reservation fee. Example on LKR 2,000 service: Customer pays LKR 400 deposit online. Salon upfront share: 10% (LKR 200). Platform net: 8% (LKR 160). Referring agent: 2% (LKR 40). Customer pays remaining LKR 1,600 at the salon after service.

Screen: Commission breakdown table

The screenshot shows the 'Booking Income Breakdown (Last 7 Days)' table. The 'RES. FEE' and 'SALON' columns are highlighted with red boxes. The table shows three bookings with the same values.

BOOKING	SERVICE	STAFF	RES. FEE	BALANCE	SALON	SALON INC.	NET

Step 24: Subscription & Billing

Open Subscription & Billing (/dashboard/billing). View active plan: Free, Starter, Pro, or Elite. Each tier unlocks staff slots, services, gallery images, and promotion packages. Monthly/Annual toggle. Upgrade via checkout. Invoice history with reference numbers.

Screen: Billing & plan comparison

The screenshot displays the 'Subscription & Billing' dashboard. At the top, there's a header with a wallet icon, the title 'Subscription & Billing', a subtitle 'Manage memberships, download payment receipts, and upgrade plan quotas.', and a toggle for 'Monthly' and 'Annual' billing. Below this, a yellow banner indicates the 'ACTIVE MEMBERSHIP TIER' is the 'Starter Plan', which supports up to 5 staff, 12 services, 6 images, and 4 discounts & promotions. To the right of the banner, it shows the 'NEXT INVOICE DATE' as 'June 01, 2026' for 'LKR 4,500 / month'. The main section, titled 'Available Subscription Packages', compares four tiers: Free, Starter (active), Pro, and Elite. Each tier card lists its price, staff limit, service count, image count, and discount/promotion count. The Starter Plan is highlighted as the 'Current Plan'. Upgrade buttons are present for the Pro and Elite tiers.

Tier	Price	Staff	Services	Images	Discounts & Promotions
Free	Free	2	6	3	2
Starter (Active)	LKR 3,750 /month	5	12	6	4
Pro	LKR 7,500 /month	10	20	10	6
Elite	LKR 7,500 /month	30	Unlimited	30	12

Step 25: Plan limits reference

Free: 2 staff, limited services, basic gallery. Starter: 5 staff, more services, promotion packages. Pro: 10 staff, service discounts, expanded gallery. Elite: up to 30 staff, maximum features. Upgrade when you need more staff or promotion capacity.

Screen: Plan comparison cards

This screenshot is identical to the one in Step 24, showing the 'Subscription & Billing' dashboard with the 'Starter Plan' as the active tier. A red rectangular box is drawn across the 'Available Subscription Packages' section, highlighting the comparison cards for the Free, Starter, Pro, and Elite plans. The box encompasses the tier names, prices, and the list of features (staff, services, images, discounts) for each plan.

Step 26: Settings shortcut hub

Settings in the sidebar footer links to: Salon Profile, Services & Catalog, Staff & Stylists, Billing & Subscriptions. Security & Credentials information. Use Settings as a quick launcher — main tools remain in the sidebar.

Screen: Settings portal

Step 27: Notifications & pending bookings

The notification bell in the header alerts you to new pending bookings. Click to review and confirm quickly. Unread badge clears when you mark notifications read. Pending bookings that sit too long may lead to customer cancellations.

Screen: Notification bell

Pro tip: Enable WhatsApp under Social Media for automatic booking confirmations to customers.

Step 28: How customers book your salon

Customers find your salon on trimma.io, select services, pick a stylist and time slot, enter details, and pay 20% deposit via secure Stripe checkout. You receive pending booking in Bookings tab. Confirm → customer gets WhatsApp/email. Customer pays balance at salon after service.

Visit Trimmia → Search Service → Select Salon → Select Service → Select Staff → Select Date & Time → Checkout Page → Update Card Details → Pay 20% Reservation → Reservation Booking → Reservation Notification → Reservation Confirmation (if reschedule by the customer) by the Salon → Visit Salon & Get the Job done → Review Salon Services.

Step 29: Image upload guidelines

Logo: 500×500px, max 2MB. Cover: 1200×400px, max 5MB. Hero: 1920×680px, max 8MB. Service/staff photos: clear, well-lit, professional. Use JPEG or PNG. Poor images reduce booking conversion in the marketplace.

Step 30: Professional best practices

Keep services and prices current. Update hours before public holidays. Respond to reviews promptly. Confirm bookings on the same day. Train staff on Trimma booking workflow. Share your marketplace link on WhatsApp status and Facebook. Upgrade plan before peak season if you need more staff slots.

Step 31: Common mistakes to avoid

Incomplete bank details blocking verification. Wrong operating hours cause conflicts. Inactive services are still showing in old links. Ignoring pending bookings. Deleting staff with booking history (deactivate instead). Uploading blurry logo or hero images. Not connecting WhatsApp for customer updates.

Pro tip: Use Salon Setup Checklist on Dashboard — it highlights missing profile items.

Step 32: Support & contact

Setup, billing, bookings, verification, or marketplace issues: email support@trimma.com with salon name and booking reference. WhatsApp Live Chat for urgent help. Read Salon Help in your dashboard (</dashboard/help>) for the full interactive guide. Download this handbook in English, Sinhala, or Tamil from Salon Help → Download Guide.
